E-VOTING:

1. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
2. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM has been uploaded on the website of the Company at <https://container.in/>. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
3. In order to enable its members, who do not have access to e-voting facility, to send their assent or dissent in writing in respect of the resolutions as set out in the Notice of Annual General Meeting; the Company has also enclosed a ballot form with the Annual Report for the financial year 2022-23.
4. The facility for voting through polling paper shall be made available at the meeting and the members attending the meeting who have not cast their vote by remote e-voting/ ballot form shall be able to vote at the Meeting through polling paper.
5. A member can opt for only single mode of voting i.e., either through e-voting or by Ballot Form. If a member casts votes by both modes, e-voting shall prevail and vote by Ballot shall be treated as invalid. The members who have cast their vote by remote e-voting/ballot form may also attend the meeting but shall not be entitled to cast their vote again.
6. The Voting rights of the members shall be in proportion to the paid-up value of their shares in the Equity Capital of the Company as on cut-off date (i.e., Record date) 23rd September 2023.
7. A person, whose name is recorded in the register of members or in the register of beneficial owners maintained by the depositories as on the cut-off date, i.e. 23rd September 2023 only shall be entitled to avail the facility of remote e-voting, voting through ballot form and voting at AGM through polling paper.
8. Any person, who becomes a member of the Company after dispatch of the Notice of the Meeting and holding shares as on the cut-off date i.e., 23rd September, 2023 may obtain the User ID and password by writing to CDSL at helpdesk.evoting@cdslindia.com or contact 040-30722562/022-23023333 or Toll-Free No.1800-200-5533. However, if the person is already registered with CDSL for remote e-voting then the existing user ID and password can be used for casting vote.

9. Members are requested to notify immediately any change in their addresses to the Company.
10. The e-voting facility will be available at the link www.evotingindia.com during the following period:

E-VOTING:

- (i) The e-voting period begins from **9.00 A.M. (IST) on Wednesday 27th September 2023 and ends at 5.00 P.M. (IST) on Friday, 29th September 2023**. During this period shareholders' of the Company, holding shares as on the cut-off date (record date) 23rd September 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Sr. Manager, Central Depository Services (India) Limited (CDSL), A Wing, 25th Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai-400013, India or send an email to helpdesk.evoting@cdslindia.com or call on 022-23058542/43.

- **Global Economy:**

The automotive industry is an important pillar of the world economy. It affects every aspect of daily living, and it is an important source of employment – approximately 5 percent of the global labour force is directly or indirectly employed in this industry. The total turnover of the automotive industry is greater than the gross domestic product of France.

- **Global Auto Components Industry:**

Global economic development is dependent on the activities of the automotive industry due to the wide range of businesses that it is integrated with. The automotive industry contributes around 3% of the world's total GDP output, and that share is higher in emerging markets such as China and India.

- **Indian Economy:**

India has become the fastest-growing economy in the world in recent years. This fast growth, coupled with rising incomes, boost in infrastructure spending and increased manufacturing incentives, has accelerated the automobile industry.

India's economic growth in FY 2023 has been principally led by private consumption and capital formation and they have helped generate employment as seen in the declining urban unemployment rate and in the faster net registration in Employee Provident Fund. Moreover, World's second-largest vaccination drive involving more than 2 billion doses also served to lift consumer sentiments that may prolong the rebound in consumption. Still, private capex soon needs to take up the leadership role to put job creation on a fast track.

- **Indian Auto Components Industry:**

India occupies a strong position in the global heavy vehicles market as it is the largest tractor producer, second-largest bus manufacturer, and third-largest heavy trucks manufacturer in the world.

India's auto component industry is an important sector driving macroeconomic growth and employment. The industry comprises players of all sizes, from large corporations to micro entities, spread across clusters throughout the country. The auto components industry accounted for 2.3% of India's GDP and provided direct employment to 1.5 million people. By 2026, the automobile component sector will contribute 7-9% of India's GDP.

The turnover of the automotive component industry grew 34.8% to Rs. 2.65 lakh crore (US\$ 33.8 billion) during April-September 2022 compared to the first half of the previous year. As per the Automobile Component Manufacturers Association (ACMA) forecast, auto component exports from India are expected to reach US\$ 30 billion by 2026. The auto component industry is projected to record US\$ 200 billion in revenue by 2026. Strong international demand and resurgence in the local original equipment and aftermarket segments are predicted to help the auto component industry grow.

Significant demand for automobiles also led to the emergence of more original equipment and auto components manufacturers. As a result, India developed expertise in automobiles and auto components, which helped boost international demand for Indian automobiles and auto components. Hence, the Indian automobile industry has a considerable impact on the auto component industry.

The industry is a leader in exports and provides jobs to over 3.7 crore people. From FY 2016-FY 2022, the industry registered a CAGR of 6.35% and was valued at US\$ 56.50 billion in FY22. Due to the high development prospects in all vehicle industry segments, the auto component sector is expected to see double-digit growth. The industry is expected to stand at US\$ 200 billion by FY 2026.

The Indian automobile industry contributes almost 6.4% of India's GDP and 35% of manufacturing GDP and is a leading employment provider. India could be a leader in shared mobility by 2030, providing opportunities for electric and autonomous vehicles. The automobile sector received cumulative equity FDI inflow of about US\$ 33.77 billion between April 2000-September 2022.

- **Government Initiatives for Automobile Industry:**

1. The Indian government has planned US\$ 3.5 billion in incentives over a five-year period until 2026 under a revamped scheme to encourage production and export of clean technology vehicles. Initiatives like Make in India, the Automotive Mission Plan 2026, and NEMMP 2020 will be a net positive for the sector.

2. In November 2020, the Union Cabinet approved a PLI scheme in automobile and auto components with an approved financial outlay over a five-year period of Rs. 57,042 crore (US\$ 8.1 billion). In September 2021, the Indian government issued notification regarding a PLI scheme for automobile and auto components worth Rs. 25,938 crore (US\$ 3.49 billion). In February 2022, the government received an investment proposal worth Rs. 45,016 crore (US\$ 6.04 billion) from 20 automotive companies under the PLI Auto scheme. This scheme is expected to create an incremental output of Rs. 2,31,500 crore (US\$ 31.08 billion).
3. The Government aims to develop India as a global manufacturing and research and development (R&D) hub. It has set up National Automotive Testing and R&D Infrastructure Project (NATRiP) centres as well as the National Automotive Board to act as facilitator between the Government and the industry. Under (NATRiP), five testing and research centres have been established in the country since 2015.
4. There have been plenty of investments in the automobile sector recently, as the Government of India expects the automobile sector to attract US\$ 8-10 billion in local and foreign investments by 2023. The industry attracted Foreign Direct Investment equity inflow (FDI) worth US\$ 33.53 billion between April 2000-June 2022, accounting for 5.54% of the total equity FDI during the period.

• **Opportunities:**

1. Expanding the business in different states thereby leading to creation of new customer base;
2. Growing demand for vehicle telematics and ITS Products;
3. Approval from the State Government of Maharashtra, West Bengal, Madhya Pradesh and NCT of Delhi to register Vehicle Location Tracker (VLT) Device for usage in the respective jurisdiction.
4. Approval from State Government of Nagaland and APSAC to supply and fitment of Vehicle Location Tracker (VLT) Device;

• **Threats:**

1. Providing Performance Bank Guarantee Overhead Expenses;
2. Initial Software Development Overhead and Man Power Resource Maintenance Expenses;
3. Continuous Product R&D, for Improvements/Updates and Testing Agencies Expenses;

• **Outlook:**

The rapidly globalizing world is creating newer opportunities for the transportation industry, especially while shifting towards electric, electronic and hybrid cars, which are deemed more efficient, safe and reliable modes of transportation. Over the next decade, this will lead to newer verticals and opportunities for auto component manufacturers. To help them adjust to the shifting dynamics of the sector, the Indian government has already offered various production incentives. India is also investing heavily in electric car infrastructure.

- **Risks And Concerns:**

Risks are inevitable in today's world and Company strongly believes that its success depends upon identification of potential risks in advance and the creation of appropriate mitigation strategies to bypass or minimise impact, to the extent possible.

Effective risk management comprises of:

- i. Constantly scans its external environment to identify emerging threats while also evaluating its impact on its business goals.
- ii. Standard policy to pass the cost increases with its premium quality positioning.
- iii. Consciously following with the up-keep of equipment and implementing the cost control methods.

- **Internal Control Systems and Safeguards:**

One of the important pillars of corporate governance is a robust internal controls framework that assists the corporation to achieve predictable and desired outcomes. It helps in aligning controls with the dynamics of constant challenges and changes in risk profile, arising due to varying internal and external factors. The internal controls framework established by the Company is commensurate with the size of operations and complexity of its businesses. All internal controls are well aligned with the evolving business needs, objectives, and overall strategic direction. The Company ensures integrity in conducting its business, safeguarding of its assets, timely preparation of reliable financial information, accuracy and completeness in maintaining accounting records.

- **Human Resource Developments / Industrial Relations:**

Human resources are the principal drivers of change and have always been one of the most valued stakeholders of the Company. The Company aims to develop the potential of every individual associated with the Company as a part of its business goal.

During the period under review, the total number of people employed by the Company is 25 .

INDEPENDENT AUDITOR'S REPORT

To the Members of

M/s. CONTAINER TECHNOLOGIES LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of **M/s. CONTAINER TECHNOLOGIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March 2023, and the Statement of Profit and Loss, statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter- INVENTORY:

The Company has significant levels of inventories and significant management judgments are taken with regard to categorization of inventories into obsolete and/or slow moving and which should be therefore be considered for provision. Estimates are involved in arriving at provisions against cost in respect of slow moving and obsolete inventories to arrive at valuation based on lower of cost and net realizable value. Given the level of significant management judgments and estimates involved this is considered to be a key audit matter

Auditor Response to Key Audit Matter:**Principal Audit Procedures:**

- Testing the design, implementation and operating effectiveness of the key controls management has established for provision computations and to ensure the accuracy of the inventory provision.
- Assessing the adequacy of, and movements in, inventory provisions held, by recalculating a sample of items included within the provision to ensure appropriate basis of valuation.
- Evaluating, on a sample basis, whether inventories were stated at the lower of cost or net realizable value at the reporting date by comparing the sales prices of inventories subsequent to the reporting date.
- Evaluating the appropriateness of the assumptions used based on our knowledge and information of the client and the industry.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going

concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern.

If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **"Annexure A"** a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal Financial Controls under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **M/s. CONTAINER TECHNOLOGIES LIMITED** (“the Company”) as of March 31, 2023 in conjunction with our audit of financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Company Overview

1.1 Reporting Entity

CONTAINER TECHNOLOGIES LIMITED (formerly known as Containe Technologies Private Limited) (herein referred as “the Company”/“CTPL”) is a company domiciled in India with its registered office situated at H. No. 3-13-142/ 341P, 342, Gokul Nagar, Marriguda, Mallapur, Secunderabad, Hyderabad, Telangana - 500076, India. The Company has been incorporated as a private limited company under the provisions of Companies Act, 1956 as on 16th September, 2008. Later on, the company is converted into Public Limited Company on 21st March 2022 vide new certificate of incorporation issued on 21st March'022.

The Company is primarily involved in business of design, development, manufacturing and service of Vehicle Speed Limiting Devices (VLD), Vehicle Location Tracking Devices (VLTD).

1.2 Basis of preparation of financial statements

a) Statement of Compliance

These financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Accounts) Rules 2014 as amended from time to time.

The Equity of the company are listed on the BSE SME Stock Exchange on 30th September 2022

As per proviso to Rule 4(1)(iii) of the Companies (Indian Accounting Standards) Rules, 2015, applicability of IND AS is exempted to companies whose securities are listed or are in the process of being listed on SME exchange. Further SEBI LODR also refers to the Companies Act, 2013 only, for applicability of INDAS.

These financial statements have been prepared for the Company as a going concern on the basis of relevant Accounting Standards that are effective at the Company's annual Reporting date, March 31, 2022. These financial statements have been prepared on accrual basis under the historical cost convention. Historical cost is generally based on the fair value of the consideration given in exchange of goods and services. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year. These Financial Statements were authorized for Issuance by the Company's Board of Directors.

Details of the company's significant accounting policies are included in Note 2.

b) Current versus Non-Current Classification

The company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle.
- Held primarily for the purpose of trading.
- Expected to be realized within twelve months after the reporting period or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle.
- It is due to be settled within twelve months after the reporting period or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The company has identified 12 months as its operating cycle.

c) Use of Estimates and Judgments

The preparation of the financial statements in conformity with Accounting Standards requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material their effects are disclosed in the notes to the standalone financial statements.

2. Significant Accounting Policies

a. Property, Plant and Equipment

i. Recognition and Measurement

Items of property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, any.

Cost of an item or property, plant and equipment comprises its purchase price, import duties and non-refundable purchases taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to its working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Cost of assets not ready for intended use, as on the balance sheet date, is shown as capital work-in-progress.

ii. Subsequent Expenditure

Subsequent expenditure related to an item of tangible fixed asset is capitalized only if it increases the future benefits from the existing assets beyond its previously assessed standards of performance.

iii. Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight line method.

Depreciation is provided based on useful life of the assets as prescribed in Schedule II of companies Act, 2013.

Depreciation Method, Useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

Depreciation on additions (disposals) is provided on pro-rata basis i.e., from (upto) the date on which asset is ready to use (disposed off).

iv. Capital Work in Progress

Projects under which assets are not ready for their intended use and other capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

b. Foreign Currency

The functional currency of the company is in Indian rupee. Transactions in foreign currency are translated at the exchange rates prevailing on the date of the transactions. Monetary assets and liabilities denominated in foreign currency are restated at the prevailing year end rates. The resultant gain/loss upon such restatement along with the gain/ loss on account of foreign currency transactions are accounted in the statement of profit and loss.

c. Intangible Assets**Internally generated: Research and development**

Expenditure on research activities is recognized in statement of profit and loss as incurred.

Development expenditure is capitalized as part of the cost of the resulting intangible asset only if the expenditure can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the company intends to and has sufficient resources to complete development and to use or sell the asset. Otherwise, it is recognized in statement of profit and loss as incurred. Subsequent to initial recognition, the asset is measured at cost less accumulated amortization and any accumulated impairment losses.

Others

Other Intangible assets are initially measured at cost. Subsequently, such intangible assets are measured at cost less accumulated amortization and any accumulated impairment losses.

i. Subsequent Expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates.

ii. Amortization

Other intangible assets are amortized on a straight line basis over the estimated useful life as follows:

Computer software	3-10 years
Technical knowhow	10 years
Product related intangibles	10 years
Others	10 years

Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted if appropriate.

d. Impairment**Property, Plant and Equipment**

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable, if any such indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e, higher of the fair value less cost to sell and the value in use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss.

e. Provisions & Contingent Liabilities and Contingent Assets

A provision is recognized when the Company has a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date.

A disclosure for a contingent liability is made when there is possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognized in the financial statements. A contingent asset is disclosed where an inflow of economic benefits is probable. Contingent assets are assessed continually and, if it is virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

Onerous Contracts

A contract is considered to be onerous when the expected economic benefits to be derived by the company from the contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision for an onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before such a provision is made, the company recognizes any impairment loss on the assets associated with that contract.

f. Revenue

i. Sale of Products

Revenue is recognized when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is reasonably certain, the associated costs and possible return of goods can be estimated reliably, there is no continuing management involvement with the goods and the amount of revenue can be measured reliably and stated net of Goods & Services Tax, Sales Tax, VAT, trade discounts and rebates.

ii. Income From Service :

Recognizes revenue in the statement of profit & loss proportionately with the degree of completion of service as per the contract with the customer.

iii. Income From Subscriptions:

Subscription income is recognized using the time proportion method for the charges agreed with the customer.

iv. Interest Income or Expense

Interest income or expense is recognized using the effective interest method on time proportion method.

v. Dividend Income

Dividend income is recognized when the company's right to receive dividend is established, which is generally when shareholders approve the dividend.

g. Cost Recognition

Cost and expenses are recognized when incurred and have been classified according to their nature. The costs of the company broadly categorized in Raw material costs, Processing costs, storage costs, employee benefit expenses, selling and administrative and other expenses and depreciation and other amortization cost. Employee benefit expenses include employee compensation, allowances paid, contribution to provident fund and staff welfare and employee event expenses. Administrative and other expenses include fees to external consultants, facility expenses, travel expenses, communication expenses, repairs and maintenance, insurance, foreign exchange loss and other expenses.

h. Inventory

Inventories are valued at lower of cost or net realizable value.

Inventories of raw material, consumables and stores and spares are valued at cost as per FIFO method. Cost does not include duties and taxes that are subsequently recoverable.

Cost for the purpose of finished goods and material in process is computed on the basis of cost of material, labour and other related overheads or Net realizable whichever is lower.

i. Income Tax

Income tax comprises current and deferred income tax. Income tax expense is recognized in the statement of profit and loss.

i. Current Tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. Current tax for current year and prior periods is recognized at the amount expected to be paid or recovered from the tax authorities, using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognized amounts and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii. Deferred Tax & MAT

Deferred tax liability is recognized, subject to the consideration of prudence on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. Where there is unabsorbed depreciation or carry forward of losses, MAT Credit, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets.

Minimum Alternate Tax credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

j. Borrowing Cost

Borrowing costs are interest and other costs (including exchange differences relating to foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs) incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalized as part of the cost of that asset. Other borrowing costs are recognized as an expense in the period in which they are incurred.

k. Cash & Cash Equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposit, which are subject to an insignificant risk of changes in value.

l. EBITDA

The company presents earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurement, the company does not include depreciation and amortization expense, finance costs and tax expense.

m. Earnings per share

Basic Earnings per share is calculated by dividing net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to the equity share holders by the weighted average number of equity shares outstanding during the period adjusted for the effects of all dilutive potential equity shares.

n. Prior Period Expenditure:

The change in estimate due to error or omission in earlier period is treated as prior period items. The items in respect of which liability has arisen/crystallized in the current year, though pertaining to earlier year is not treated as prior period expenditure.

o. Extra-Ordinary Items:

The income or expenses that arise from event or transactions which are clearly distinct from the ordinary activities of the Company and are not recurring in nature are treated as extra ordinary items. The extra ordinary items are disclosed in the statement of profit and loss as a part of net profit or loss for the period in a manner so as the impact of the same on current profit can be perceived.

p. Details of dues to Micro and Small Enterprises as defined under the MSMED Act, 2006

Under the Micro, Small and Medium Enterprises Development Act, 2006 which came into force from 2nd October 2006, certain disclosures are required to be made relating to Micro and Small Enterprises.

The Company has not received any memorandum (as required to be filed by the suppliers with the notified authority under the Micro, Small and Medium Enterprises Development Act, 2006) claiming their status as on 31st March, 2022 as Micro, Small or Medium enterprises. Consequently, the amount paid/payable to these parties could not be ascertainable.

There are no micro and small enterprises, as defined in the micro and small enterprises development act, 2006, to whom the company owes dues on account of principal amount together with the interest and accordingly no additional disclosures have been made. The above information regarding micro and small enterprises has been determined to the extent such parties have been identified on the basis of information available with the company. This has been relied upon by the auditors.

q. Employee Benefits:

The company at present does not have any defined benefit plan or defined contribution plan including the gratuity liability as the company has not reached the threshold limit for applicability basing on the number of employees.
